NAT. COMMITTEE TO SECURE JUSTICE IN THE ROSENBERG CASE
INTERNAL SECURITY - C

The following article appeared in the "Morning Freibiet" of May 10, 1954, on page 2, columns 1-2:

The COMMITTEE TO SECURE JUSTICE FOR MORTON SOBELL IN THE ROSENBERG CASE has proclaimed a six week memorial period to honor the memory of the martyrs Ethel and Julius Rosenberg.

The memorial period will begin on May 20th and will continue until June 20th. During this period there will be memorial meetings throughout the nation and efforts to win a new trial for Morton Sobell will be intensified.

On June 9th, 1953, martyrs Ethel and Julius Rosenberg were burned in the electric chair in spite of their statements that they are innocent, and in spite of the appeals for clemency from all corners of the world.

Morton Sobell, who was tried together with the Rosenbergs, was sentenced to Alcatraz for 30 years. It is requested that Sobell receive a new trial and that he be taken out of Alcatraz on the basis that his incarceration in that fortress-jail for brutal and hardened criminals, is an unusual and gruesome punishment.

The COMMITTEE charges that Sobell is being kept at Alcatraz for the purpose of getting from him a false confession, just as the threat of the electric chair was unsuccessfully used to get a false confession from the Rosenbergs.

During the memorial period the COMMITTEE will contact social leaders, religionists, trade-union leaders and professionals to sign petitions requesting that Sobell be transferred from Alcatraz.

A "Rosenberg Memorial Certificate" will be given to those who contribute toward the cost of the campaign to defend Sobell.

MEMORANDUM FOR FILE

Re: Julius and Ethel Rosenberg
In Memoriam Notice

Early in the afternoon on Thursday, June 24, I called
Mr. Ted Jacobs at LO 4-9585 (National Committee to Secure Justice
in the Rosenberg Case), in connection with the refund check he
said he would pick up on Monday, June 21. We were told he was not
in and not expected to return that afternoon. A message was left
for him to call me on Friday.

At 4:15 today, not having heard from Mr. Jacobs, I called
again, at which time I reached him. He requested me to send the
check to "Room 2, 1050 - 6th Avenue, New York, N.Y.", Registered
Mail.

The check was mailed today, to the above address,
"Registered Mail, Return Receipt Requested".

During my conversation with KENNETH D. JOHNSON on 9/10/54, he remarked that the Rosenberg children were living with ABEL and ANNE MEEROPOL. He advised that the children had formerly been living with Mrs. SOPHIE ROSENBERG, mother of the executed JULIUS ROSENBERG. He said that Mrs. Rosenberg was of the Orthodox Jewish faith and that it was very difficult to bring the children up according to her strict interpretation of her religion. He advised that it was for this reason that the children were removed from her apartment and are again living with the Meeropols. It is noted that Abel and Anne Meeropol are on the Security Index of this office.
WILLIAM MARTIN CAVANO, 61 Lee Ave., Babylon, L.I., was interviewed by
the writer at his residence on June 20, 1954. CAVANO was a former teacher at CCNY
and a member of the CP unit at the college. He advised that WILLIAM CURTIS, MORTON
CUBERT and the subject were students at the College in the Engineering Division.
He, CAVANO, was teaching in the history department and he had no connection with
him. He did not know them. He stated that as students they would not have been
eligible for membership in the CP unit at the College, since that was made up of
members of the teaching staff. The three individuals above if they were in an
affiliated organization would have been members of the YCL which had a chapter
at the college during the period of their attendance at the college.

FEDERAL BUREAU OF INVESTIGATION

SYNOPSIS OF FACTS:

CONFIDENTIAL

Headquarters for San Francisco Rosenberg-Sobell Committee located at 226 Mc Allister St., Room 201E, S.F. Officers for Committee have been identified as CQ members. Activities of Committee primarily directed towards having MORTON SOBELL transferred from Alcatraz Prison and obtaining a new appeal for his case. Activities also directed towards stopping the "harassment" of the 2 Rosenberg boys by the New York authorities and having the boys placed in the permanent custody of SOPHIA ROSE, their paternal grandmother. Checking account balance for Committee on 11/22/51 was $650.11.

DETAILS

All informants utilized in this report are of known reliability.

JULIUS and ETHEL ROSENBERG and MORTON SOBELL were convicted in the U.S. District Court, Southern District of New York on March 29, 1951 of conspiracy to commit espionage on behalf of the Soviet Union. The ROSE-BERGS were sentenced to death, and SOBELL was sentenced to serve 30 years imprisonment.

San Francisco T-1 and San Francisco T-2 have informed that the National Committee to Secure Justice in the Rosenberg Case (NCSJRC) was formed on January 2, 1952 for the purpose of obtaining a new trial or clemency for the ROSENBERGS. The ROSENBERGS were executed at the Sing Sing Prison, Ossining, New York on June 19, 1953.

San Francisco T-3 has informed that a National Conference of the Committee was held in Chicago, Illinois on October 10-11, 1953, at which time the National Rosenberg-Sobell Committee was formed.

San Francisco T-4 related in December 1953 that the Committee during December 1953 took the name of the National Committee to Secure Justice for Morton Sobell in the Rosenberg Case.

San Francisco T-6 in February 1954 related that the bank account of the Committee in the Chase National Bank, Times Square Branch, New York City, has continued to use the name NCSJRC.

San Francisco T-7 has informed that the aim of the Committee is to obtain a new trial for SOBELLI and to have him transferred from Alcatraz Penitentiary to some other Federal institution.

SF T-2 in June 1954 informed that the Communist Party (CP) had been extremely active in assisting the Committee and that in strong and active areas, the CP directed the activities of the Committee. In other areas the CP lent some support to the Committee.
SF T-2 and SF T-7 have informed that the members of the Committee
who were not CP members, were for the most part, Communist sympa-thizers.

The CP has been designated by the Attorney General of the United
States pursuant to Executive Order 10250.

Information furnished to this office indicates there is only one
organization working in behalf of the Rosenberg and Sobell Committee
in the Northern District of California. This organization is the
San Francisco Rosenberg-Sobell Committee (SFRSC) sometimes referred
to as the San Francisco Rosenberg-Sobell Defense Committee. There
is no reported information indicating that the Committee has any
chapters outside of the San Francisco area.

I. Address

In the November 21, 1954 issue of the Daily People's World (DPW)
Page 3, Columns 2-5, appeared an article captioned "Thanksgiving
Appeal for LORIEN SLOBELL", informing that the headquarters for the
SFRSC were located at 228 E Allister Street, Room 291E, San
Francisco, California.

The DPW is a West Coast Communist newspaper.

II. Officers

San Francisco T-5 in February 1954 furnished a mimeographed
letter addressed "Dear Friend" dated January 9, 1954 by the SFRSC
signed by [signature] who was identified as Executive Secretary
for the Committee.

San Francisco T-9 informed that at a meeting of the Theodore
Dreiser Club, San Francisco County CP, (SF CCP) held on March 30,
1950 an announcement was made that due to the unwieldy number of
members in the Theodore Dreiser Club, the Club would split into 2
groups, one would include miscellaneous and Civil Service employees,
and the other would incluc-e social workers and members of the Jewish
Congress.
SF T-9 reported in May 1950 that SYLVIA STEINHART was the Organizational Secretary for the New Jewish Congress Branch of the S'CCP.

San Francisco T-10 in April 1951 furnished a copy of a mimeographed "open letter" dated March 18, 1951 by the SFRSC in which SYLVIA STEINHART was identified as Executive Secretary for the Committee.

SF T-10 in July 1951 furnished a copy of an undated mimeographed letter distributed by the San Francisco Rosenberg-Sobell Committee during July 1951 addressed "Dear Friend" by SYLVIA STEINHART who in the letter, was identified as Executive Secretary for the Committee.

San Francisco T-11 reported in August 1951 that DIANA BAILY was chairman of the Committee, but added that SYLVIA STEINHART actually ran the organization. Continuing, SF T-11 reported BOLLIE BOLDIN as Secretary for the Committee.

San Francisco T-12 related in September 1952 that RICHARD BAILY was a member of the Inter-Mission Section of the S'CCP.

San Francisco T-13 has informed that from 1946 to 1947, BOLLIE BOLDIN was the leading functionary in the Herman Beetscher Club of the Alameda County CP (ACCP).

SF T-11 in September 1954 furnished a copy of a mimeographed letter dated September 25, 1954 addressed "Dear Friends" issued by the SFRSC and signed by SYLVIA STEINHART who was identified as Executive Secretary for the Committee.

III. Pamphlets and Publications

SF T-8 in February 1955 furnished a copy of a mimeographed letter issued by the SFRSC dated January 9, 1955 signed by SYLVIA STEINHART. The letter is quoted below:

"Dear Friend:

PORT N. SOBEIL, the young scientist condemned to thirty years imprisonment in Alcatraz, is appealing to the U.S. Supreme Court to review his case and grant him the opportunity to prove his innocence in a new trial."
"Mr. SOEBELL was the third defendant in the Rosenberg-Sobell case. You may recall that in the several weeks preceding the electrocution of ETHEL and JULIUS ROSENBERG, a number of documents came to light which indicated that the major prosecution witnesses had perjured themselves.

"Counsel for SOEBELL is attempting to place this new evidence before the Supreme Court. These documents have never been reviewed by the Supreme Court. INDEED, THE ENLING ROSENBERG-SOEBELL CASE WAS NEVER REVIEWED BY THE SUPREME COURT!"

"We are urging a substantial number of leading citizens, community and labor figures and professional persons to join with Dr. UREY, eminent scientist, Dr. LADY CHURCH TAYLOR, prominent women's leader and educator, Dr. CLAYDE LIDDELL, Dean of Chicago Divinity School, Prof. EMRILL CROSS, educator, Prof. LINUS PAULING, scientist (and others) to add their names to the Amicus Brief. We are enclosing a copy of the Amicus Brief and ask you to get at least one additional signature in any of these categories. If you are in any of these categories, please add your signature too, and return the brief to above address. We feel that names of prominent and representative people on the Amicus Brief will indicate to the Supreme Court the widespread support for a review of the case.

"THIS IS THE ESSENCE as the Supreme Court can act on the appeal within days after January 15th—when the government files its reply brief.

"We urge you to act immediately."

In addition, SF T-8 furnished a copy of a printed Amicus Brief on behalf of HORTON SOEBELL. The Brief which is quoted below contained a "tear-off" letter with space for name, profession, and address to be returned to the National Rosenberg-Sobell Committee, 1050 6th Avenue, New York 18, New York.

"THE ARREST, indictment, and trial of HORTON SOEBELL upon the charge of conspiracy to commit espionage and the resulting sentence of thirty years in Alcatraz in an atmosphere of hysteria induced by transient political and social passions, lacked guarantees of fairness which all Americans have a right to expect under the Constitution."
MORTON SOBELL is requesting the Supreme Court to review his case on the basis of new evidence connected with his joint trial with ETHEL and JULIUS ROSENBERG. This new evidence, never presented to the Supreme Court for the ROSENBERGS, very seriously challenges the credibility of the major prosecution witnesses.

WE BELIEVE that the standards of American justice require a new trial for MORTON SOBELL in an atmosphere free of hysteria.

In the light of the extraordinary circumstances, which from the very beginning have surrounded the ROSENBERGS-SOBELL case, we authorize the inclusion of our names in an Amicus Brief to the Supreme Court of the United States, petitioning that the verdict be set aside, and that a new trial for MORTON SOBELL be ordered based on constitutional guarantees of fairness and equality under the law, in accordance with the best traditions of American justice.

SF T-10 in April 1954 furnished a copy of a mimeographed "open letter" dated March 16, 1954 by SYLVIA STEINHARDT, Executive Secretary, SFRSC informing of a meeting on March 24, 1954 at 150 Golden Gate Avenue, San Francisco, the purpose of the meeting being to bring the audience up-to-date on the recent Surrogate Court hearings on the ROSENBERGS boys, as well as the campaign to remove MORTON SOBELL from Alcatraz Prison.

SF T-1 in July 1954 furnished a copy of an undated mimeographed letter addressed "Dear Friend" issued by the SFRSC, and signed by SYLVIA STEINHARDT, informing the reader of an informal meeting on July 21, 1953 at 1550 Grove Street, San Francisco, the purpose being "to bring the campaign for SOBELL'S transfer out of Alcatraz to organizations and to the Committee in general.

SF T-11 in September 1954 furnished a copy of a mimeographed letter dated September 25, 1954, issued by the SFRSC. The letter is quoted below:

Dear Friends:

November 25th will mark the third Thanksgiving that MORTON SOBELL will spend in Alcatraz, where he cannot even see his two young children. Alcatraz for Mr. SOBELL is being used in the same way that the threat of the electric chair was used for the ROSENBERGS - an attempt to wrest a 'confession.'
For over a year now our committee has been concentrating on building a campaign to secure justice for NORTON SCULL. But while legal moves for a new trial are pending, we have put all our efforts into effecting a transfer for Mr. SCULL out of Alcatraz. That this is a must has been substantiated by Drs. SCULL, who after each visit with her husband can see the ravages of Alcatraz upon him.

"Any of the recent events such as the McCarthy Army hearings in which the Ft. Worth hoax was exposed as well as the declassified technique used by the same FBI agent who prosecuted the Rosenberg and SCULL, the faking of Dr. Cohn's letter, and the ever-increasing number of scientists who are disclaiming the possibility of stealing the 'atom bomb secret' — all of these things bear out the consistent warnings by the Rosenbergs and SCULL that the punishment against them would add fuel to a hysteria which would eventually engulf many other innocent persons.

"With more and more people expressing interest in the case, more and more signatures on transfer petitions being obtained and letters to the Bureau of Prisons being written, the committee feels that the time has come to intensify and extend our campaign.

"We therefore have made tentative plans for an all-out effort in the month of November to effect NORTON SCULL'S transfer from Alcatraz. Organizations and interested individuals are being urged to attend a Conference where these plans can be discussed.

"SATURDAY, OCTOBER 2

2 - 4 p.m.

150 Golden Gate Avenue

"We shall have the benefit of Mrs. 'ELLEN SCULL'S presence and her recent experiences in the Los Angeles area.

"We look forward to your participation.

Sincerely yours,

/s/  SYLVIA STEIGER
Executive Secretary"
In addition, SF T-11 furnished a copy of an undated mimeographed leaflet issued by the SFASC requesting the reader to make a Thanksgiving pledge by signing up for distributions on various dates at various places to hasten SCOLELL'S transfer out of Alcatraz Prison. The leaflet pointed out that for 3 Thanksgivings, SCOLELL had been away from his wife and children but knowing that people were doing something towards "ultimate justice" in his case in writing letters to Director of Prisons JACOS V. LEMERT; getting signatures on petitions; raising funds; talking to other people about his case, helped him "sustain his courage and gives him strength."

San Francisco T-11; in March 1954 furnished a copy of a mimeographed leaflet "Can we permit the snatching of children?" issued by the SFASC. The leaflet stated that on February 17, 1954, SCHMIDT and ROBBIE ROSENBERG were removed from their foster home by court order and a "legal scramble" had resulted for the boys. The letter urged the reader to send the below-mentioned "tear-off" letter to Mayor WAGNER "To Write This Wrong! Mayor ROBERT F. WAGNER, City Hall, New York, New York."

"I urge you to use your high office to intervene with your Welfare Department to stop the harassment of the 2 ROSENBERG boys. They have suffered enough. Surely there is enough humanity and mercy in our land to permit these two little children to grow up in peace."

SF T-11; in June 1954 furnished a 4-page printed leaflet by the SFASC which on the front page contained a drawing of a television screen with the question, "Was there a ROSENBERG-SCOLELL spy ring at Ft. Loomouth?" written across it. The contents of the leaflet are quoted below:

"McCarthy and Cohn Say 'YES!'
The Army Says 'NO.'

"what do the FACTS say?

THE
CHARGE
"It is one year since ETHEL and JULIUS ROSENBERG were executed despite world-wide protest.

"It is nearly two years since their co-defendant, scientist HORTON SOELL, was sent to Alcatraz under sentence of 30 years.

"Last fall newspapers Headlined new charges against the ROSENBERGS and SOEILL...charges that had never been made in the trial.

The accusers were Senator McCathy and his aide, ROY COHAN, who was a chief prosecutor in the ROSENBERG-SOEILL Trial. McCathy and Cohn accused the Rosenbergs and Soeill of masterminding a radar spying ring at Fort Monmouth...a ring that was still operating.

"The sensational charges by McCathy and Cohn caused innocent scientists to lose their jobs.

"But when the chips were down, McCathy and Cohn could not present one shred of proof of Ft. Monmouth espionage.

"The Army conducted its own investigation, after which Army Secretary Stevens stated that no espionage ring existed at Ft. Monmouth.

"It was the Army's exposure of these unfounded charges that led McCathy and Cohn to launch their non-famous attack on the Army itself.

"The ROSENBERGS and SOEILL vouch their complete innocence.
ORSON SOBELL says they were convicted with the same kind of reckless lies used by Mc Carly and Cohn at Fort Monmouth.

Yet the ROSENBERG-SOBEIL case has never been reviewed by the Supreme Court.

There is no new evidence... evidence that the chief prosecution witnesses lied in the trial... evidence that the prosecution itself, of which NOLL Cohn was a part, helped manufacture these lies.

It is hard to believe that a U.S. Attorney General's office could be involved in such dishonesty... Yet a government attorney recently admitted he was under orders to mislead a Grand Jury in the 'loyalty' case of VAL LOCHAR.

The ROSENBERGS were put to death... ORSON SOBEL was sentenced to 30 years in Alcatraz...

How many more men and women will be arrested, imprisoned and even put to death by unscrupulous prosecutors?

How many more men and women will have their good names smeared and their jobs taken away because they were supposed to know something convicted by such prosecutors?

Will you help protect your rights by joining the demand for a new trial for ORSON SOBEL... a trial that will bring out the full truth in this vital case?

All these questions demand investigation and a new trial.

But while motions for appeal were pending, SOBEL was transferred to Alcatraz, America's 'Devil's Island.'

TRANSFER ORSON SOBEL FROM ALCATRAZ!

Holding SOBEL in Alcatraz sets a dangerous precedent. In these days of irresponsible accusations, it tells every citizen who denies committing a crime: 'Confessor else!'

ORSON SOBEL must be transferred at once from Alcatraz to a regular prison where he can consult freely with his attorney in obtaining a new trial and where he can see his children.

SF T-11 furnished a mimeographed leaflet issued
by the San Francisco ACS cartonned "San Francisco Memorial Program
for ETHEL and JULIUS ROSEBERG" informing of the San Francisco Memorial
Program for ETHEL and JULIUS ROSEBERG on July 22, 1954 at 11 Page
Street, San Francisco. The leaflet contained the following message
from the SFACS.

"A MESSAGE FROM THE ROSEBERG-SOBEILL COMMITTEE

"We remember when we first joined together to form a 'committee'
to do 'something for the ROSEBERGS' — how very few there were!

"Then months and months after their death there were even fewer
to 'something for JULIUS SOBEILL,' we remembered and were not
discouraged. We had learned that such injustices do not long remain
buried.

"As in the case of the ROSEBERGS, world conflicting forces and
interests at home inevitably propel such cases into prominence,
defeating the purpose behind such evil, desperate machinations.

"And so it is today with JULIUS SOBEILL. The Army-McCarthy
hearings exposed the fraudulent Ft. Homouth ROSEBERG-SOBEILL
espionage' headlines, as they exposed the techniques of those who made
the headlines."
"Does one have to stretch one's imagination to believe that the 'evidence' in the ROSENBERG-SOELL case received the same doctored technique from the same ROY COHN who was an assistant prosecutor in the ROSENBERG-SOELL case?"

"And if a scientist like Dr. OPPENHEIMER stands accused today as a 'security risk' on so little, does one have to stretch one's imagination to believe that a scientist like SOELL stands condemned for just as little? Because so many spoke up before, Dr. OPPENHEIMER today is only a 'security risk' instead of another scientist in Alcatraz."

"Because millions have seen these things happen, our message is more believable to them. And so an important turn has been made in our efforts to secure justice for Dr. SOELL. Our committee too has increased significantly."

"We stand on street corners (not enough street corners—we are still too few) and see how much more willingly people take our material and sign our petitions."

"We go from one door to another, leave our literature, then go back and ask that they add their name to our simple demand—TRANSFER MORTON SOELL FROM ALCATRAZ."

"There are many doors—many street corners—and so many signatures needed before Alcatraz relinquishes MORTON SOELL!"

"We are grateful to you for your help. We are heartened by your presence here tonight. But we need so much more help."

"THIS IS ACHIEVABLE!"

"WE CAN TRANSFER MORTON SOELL FROM ALCATRAZ!"

"BRING THE FACTS TO THE COMMUNITY"

Distribute material at street corners
Distribute material at special meetings or locations
Get signatures on petitions

"BRING THE FACTS TO YOUR NEIGHBORHOOD"
"Invite 2 or more people to hear the facts in the case. Can you get one more person to discuss with you how to reach other neighbors?

Funds -- Funds -- Funds

"We urgently need money to carry on our work. Your contribution will help pay for large mailings, for newspaper ads, printing, court costs and counsel fees, for at least 50,000 pieces of literature we plan to get out in the next few months.

"Send us something, no matter how small, every month.

"Contribute from time to time your own money or get it from friends and acquaintances.

"Call us for help in planning any kind of function for this purpose."

SF T-14 in June 1954 furnished a copy of a printed leaflet issued by the SFRSE containing a woodcut reproduction of JULIUS and ETHEL ROSENBERG. Under the reproduction the message "Remember the ROSENBERGS -- Justice for HORTON GOSBELI" leaflet invited reader to a dramatic memorial program on June 22, 1954 at 14 Page Street, San Francisco.

SF T-14 in March 1954 furnished a copy of a mimeographed leaflet captioned "Let Them Live in Peace II" issued by the SFRSE. Said leaflet stated that the execution of JULIUS and ETHEL ROSENBERG had not ended the "harassment" of their two children MICHAEL II and ROBBIE, 6. Leaflet further stated that the children had become adjusted and happy in the foster home of their late guardian and grandmother when suddenly without warning on February 17, 1954, they were removed by six deputies of the New York Welfare Department.

Continuing, leaflet stated that this action was followed by complicated legal battles by the New York Welfare Department to appoint public guardianship. The leaflet further stated that the children were not public charges and MICHAEL and ROBBIE had suffered enough. Leaflet urged reader "to right this wrong by sending to Mayor WAGNER the below-mentioned 'tear-off' letter."
"Mayor ROBERT P. WAGNER, City Hall, New York

"I urge you to ask your high office to intervene with this Welfare Department to stop the harassment of the 2 ROSENBERG boys. They have suffered enough. Surely there is enough humanity and mercy in our land to permit these two little children to grow up in peace," and live a normal life, out of public limelight."

SF T-10 in April 1951 furnished the following mimeographed items issued by the SNCC:

1. Leaflet captions, "A Judge Asks Your Opinion." Leaflet stated that Judge COLLINS was desirous of obtaining the best guardian for the ROSENBERG boys and on the right side of the leaflet was set forth the following events which had occurred to the ROSENBERG boys during the past years.

1950
Father and mother arrested.
Grandmother GREENBLASS puts boys in institution.

1951
GRANDMOTHER ROSENBERG makes a home for the children.
Placed with friends in New Jersey to avoid harassment and publicity.

1953
JUNE 19 - Mother and father executed.
Boys ousted from N.J. school.
New foster home found by guardian EMANUEL BLOCH.

1954
BLOCH dies of heart attack.
N.Y. Welfare Department brutally seizes children from happy home.

APRIL 5 - Hearing on guardianship before Judge COLLINS in Surrogates Court."

"The leaflet asked how much can children take?" and urged the reader to send the below-mentioned boxed tear-off letter to Judge WILLIAM T. COLLINS, Surrogate Court, 31 Chambers Street, New York 7, New York.
"Honorable Judge COLLINS:

In response to your published request I wish to express to you my opinion on the guardianship of MICHAEL and ROBERT ROSENBERG. If we are to respect the family unit as our way of life the ROSENBERG family should be assigned the care of these tragic little boys. This part of the family has vowed its interest and concern for the children."

2. Mimeographed petition to Mayor ROBERT F. WAGNER, New York containing the following message and space for 6 names and addresses: We respectfully petition you to use your high office to intervene with your Welfare Department to stop the persecution of the two ROSENBERG children. Every civilized and humane impulse is outraged by this continued persecution of two little innocent children.

"Thousands of orphaned children are without court appointed guardians.

"Sufficient funds exist for their care. This fund is being administered by responsible citizens.

"These children seemed to have adjusted well to their surroundings under their Grandmother ROSENBERG'S custody.

"We urge that all actions be dropped and that the children be left with the ROSENBERG family. Respect for the family unit is of the utmost importance to our way of life."

3. 3-page mimeographed leaflet captioned "The Story of two children...MICHAEL and ROBBIE." The leaflet was described as the "Story of 2 unfortunate children who are not being allowed to sink their roots among people who can give them love and security."

Page three of the leaflet contained the following message:

"The shameful attack against MICHAEL and ROBBIE ROSENBERG is part of the special 'ROSENBERG Justice' that is being foisted upon our country. It is not enough that a mother and father were executed despite world-wide protests and dissent of three Supreme Court Justices. It is not enough that scientist MARTON SOBEL was sentenced to thirty years in Alcatraz on the word of an admitted"
nerjurer, or that little MICHAEL and ROBBIE were hounded from their New Jersey school. Now, just when the children had found a happy home, a brazen attempt is made to continue the case against their executed parents by persecuting two innocent children.

"WE MUST HELP MICHAEL AND ROBBIE ROSENBERG TO BE SURROUNDED BY LOVE AND UNDERSTANDING, SO THAT THEY MAY GROW IN PEACE, FREE FROM PUBLIC LIMELIGHT, SAFE IN THE WARMTH OF THOSE WHO LOVE THEM"

They have a loving grandmother, SOPHIE ROSENBERG, a blood relative to whom belongs by right, the boys' custody.

"They have an ample trust fund to provide for them through early life and college. (Trustees are Prof. JULIUS HILL, Univ. of Chicago Law School, Chairman; SYDNEY ENKEL, author; Y.I. SOUL, author; & JACOB LEHMAN, Exec. Editor, National Clarion)"

"They have a right to choose with whom they wish to live and they have already expressed this choice clearly to Judge. They wish to remain with their grandmother, SOPHIE ROSENBERG, and with the Lessopol couple.

"WRITE TO HON. WILLIAM T. COLLINS, Surrogate Court, 31 Chambers Street, New York City, asking him to grant permanent custody of the children to MRS. SOPHIE ROSENBERG, the paternal grandmother."

"WRITE TO MAYOR ALBERT WAGNER, City Hall, New York City, insisting that the Welfare Dept. cease its harassment of the children."

"HELP US BRING THE TRUTH ABOUT MICHAEL AND ROBBIE TO THE PUBLIC..."

In addition, Page 3 contained a self-addressed "tear-off" to the San Francisco Rosenbergs-Sobell Committee informing the Committee that the recipient "was aware that the Committee would need funds for publicity to inform the public of the attempt to "hustle" the ROSENBERG children from their loving grandmother and their new home." The tear-off letter contained space for a contribution, a pledge as well as a space asking for more information on the ROSENBERG boys' case.

SF T-10 in May 1951 furnished a four-page mimeographed leaflet issued by the SFSSC captioned, "A scientist writes his family from Alcatraz." The leaflet set forth DR. SOBELLS employment back-
ground and commented that Alcatraz was established for hardened criminals too dangerous to keep in a regular prison. The leaflet urged the reader to write to JAMES V. BENNETT, Director of Prisons, Central Bureau of Prisons, Washington, D.C. asking that SOEBELL be transferred from Alcatraz. The leaflet also asked for contributions which were "urgently needed for the legal defense and the public campaign on behalf of MORTON SOEBELL."

In addition, SF T-10 furnished a mimeographed petition issued by the SFRSC which reads as follows:

*LAW and custom have established Alcatraz as a prison for criminals who, by the number and violence of their crimes, their attempts at escape, by attacks on prison guards, must be kept in extreme isolation.

"MORTON SOEBELL, A SCIENTIST charged with conspiracy to commit espionage and sentenced to thirty years, has been in Alcatraz since Thanksgiving Day, 1952."

"MR. SOEBELL does not fit into any of the categories of prisoners kept at Alcatraz. He has never been charged with any previous crime."

"WE BELIEVE that imprisonment of MORTON SOEBELL at Alcatraz is an unusual and unprecedented punishment.

"WE THEREFORE RESPECTFULLY PETITION that MORTON SOEBELL be transferred to a regular federal institution."

SF T-10 in June 1951 furnished a 4-page mimeographed announcement captioned, "REMEMBER THE ROSENBERGS... JUSTICE FOR MORTON SOEBELL!" issued by the SFRSC informing of a dramatic memorial program on June 22, 1951 at 11 Page Street, San Francisco. The announcement asked the reader to "make this June a living memorial to ETHEL and JULIUS ROSENBERG" and contained the following message:

"June 19 will mark the first year since the shameful execution of ETHEL and JULIUS ROSENBERG. The fight still goes on - to vindicate their name and to win justice for MORTON SOEBELL.

The National Committee To Secure Justice For Morton Sobell In The Rosenberg Case has called on all those who have supported this fight to set aside this month for an intensified campaign in the cause of truth and justice."
"Your San Francisco Rosenberg-Sobell Committee has undertaken to organize this campaign in several ways: a memorial listing for the ROSENBERGS; intensified publicity; a drive for 12,000 signatures on the petition to remove SOBEL from Alcatraz; a fund campaign to help finance these activities.

"Naturally, these plans depend on those who support this struggle. We need your cooperation. Won't you set aside some time this month—in honor of the courage and strength of ETHEL and JULIUS ROSENBERG—to carry on some of the following activities?

"1. Get the petition we sent you filled in and return to us immediately. We want the maximum number possible by our meeting date. (June 22)

"2. Plan to give a house party or gathering in the near future for a few friends to help publicize the case and build the meeting. Records and speakers and other assistance are available. Call us.

"3. Send your contribution for the Committee's Memorial ad to be placed in the local papers. We have a very fine ad ready, showing the relationship of this case to McCarthyism, the Ft. Lomnouy witchhunt, the Oppenheimer case, etc.

"Let us know what you will do to help. Call or write.

"SAN FRANCISCO ROSENBERG-SOEBELL COMMITTEE
228 McAllister Street
Larket 1-9811"

In addition, SF T-10 furnished a mimeographed leaflet issued by the U.S.S.C. titled "Has an Innocent Man Been Sentenced to a Living Death in Alcatraz?"

The leaflet stated that the only specific charges brought against SOBEEL were that he had had 5 conversations with JULIUS ROSENBERG and asked the reader whether this was evidence against him. The leaflet charged that SOBEL's incarceration in Alcatraz had set a dangerous precedent and asked the writer to join in the "fight to secure justice" by writing to Director BILLET urging that SOBEL be transferred from Alcatraz."
San Francisco T-16 in April 1951, San Francisco T-17 in April 1951, SF T-8 in May 1951, and San Francisco T-18 in May 1951 also furnished copies of the 3-page mimeographed leaflet "The Story of Two Children, MICHAEL and ROBBIE."

SF T-11 in June 1951 also furnished copies of the mimeographed leaflet issued by the SFRSC captioned "Has an Innocent Man Been Sentenced to a Living Death?"

It is pointed out that in previous leaflets none of the words were double underlined.

SF T-8 in June 1951 and SF T-17 in July 1951 also furnished copies of the mimeographed leaflet "Was an Innocent Man Sentenced to a Living Death in Alcatraz?" and all the printed leaflets contained the woodcut reproductions of JULIA and JULIUS ROSENBERG, with the message "Remember the ROSENBERGS - Justice for JULIA ROSENBERG" under the reproduction issued by the SFRSC.

SF T-17 and San Francisco T-20 in March 1951 also furnished copies of the mimeographed leaflet "Can we permit the snatching of our children?" issued by the SFRSC.

SF T-10 in September 1951 and San Francisco T-21 in October 1951 also furnished copies of the printed leaflets issued by the SFRSC captioned "Was there a ROSENBERGS-SOBELL spy ring at Ft. Monmouth?"

SF T-11 in April 1951 and June 1951 furnished copies of the following leaflets issued by the SFRSC:

2. 3-page mimeographed leaflet "The Story of Two Children... MICHAEL and ROBBIE."

3. 1-page mimeographed leaflet issued by the SFRSC captioned "Remember the ROSENBERGS - Justice for JULIA ROSENBERG".

4. Mimeographed leaflet "Has an innocent man been sentenced to a living death in Alcatraz?"
5. Printed leaflet containing woodcut reproduction of ETHEL and JULIUS ROSENBERG.

SF T-19 in June 1954 furnished copy of the printed leaflet containing the woodcut reproduction of ETHEL and JULIUS ROSENBERG.

SF T-6 in June 1954 furnished a copy of the mimeographed leaflet issued by the SNSC, "A scientist writes his family from Alcatraz."

San Francisco T-22 in July 1954 furnished a copy of the following items issued by the SNSC:

1. A page mimeographed leaflet captioned "San Francisco - Serial Program for Ethel and Julius Rosenburg."

2. Mimeographed leaflet "Has an innocent man been sentenced to a living death in Alcatraz?"

3. A page printed leaflet "Was there a ROSENBERG-SOBELL spy ring at Ft. Kommoith?"
IV. ACTIVITIES

In the March 15, 1954, issue of the DPW, page two, column five, appeared an article captioned, "Wires Urge on ROSENBERG Custody Case," informing that the SF Rosenberg-Sobell Defense Committee was conducting a drive for 5,000 letters or wires to be sent to Judge WILLIAM T. COLLINS, of New York, to grant permanent custody of the ROSENBERG children to Mrs. SOPHIA ROSENBERG, their paternal grandmother. April 5, 1954, was set forth as the deadline for the drive.

In the March 23, 1954, issue of the DPW, page six, column one, appeared an article captioned, "ROSENBERG boys, SOBEL PROBE topic Wednesday," informing that on March 24, 1954, at 8 p.m., a meeting of the Rosenberg-Sobell Defense Committee would be held at 150 Golden Gate Avenue, San Francisco. The article went on to inform that the meeting would provide information on the recent New York court hearings on the custody of the two ROSENBERG boys, and also the legal action being taken in the campaign for removal of MORTON SOBEL from Alcatraz Prison.

T-ll related in April, 1954, that on March 21, 1954, a work committee meeting of the SF Rosenberg-Sobell Defense Committee was held in the conference room at 150 Golden Gate Avenue, San Francisco. T-ll related that at the conference, announcement was made that two phases had to be worked on at the time—(1) work for SOBEL's removal from Alcatraz; (2) letters and petitions should be circulated asking for a new appeal on the SOBEL case.

In the April 12, 1954, issue of the DPW, page two, columns three to four, appeared an article captioned, "Drive opened for SOBEL's transfer." The article informed that the SF Rosenberg-Sobell Committee had found nothing in SOBEL's conduct in or out of prison to justify putting him in the Alcatraz classification. Continuing, the article urged the reader to visit ministers, labor leaders, social workers, professionals, and ask them to write letters to JAMES V. BERTET, Director, Bureau of Prisons, Washington, D. C., recommending that MORTON SOBEL be transferred from Alcatraz Prison.

In the April 16, 1954, issue of the DPW, page three, column five, appeared an article captioned, "SOBEL group starts transfer drive Monday." The article informed that on Monday (April 19, 1954), the SF Rosenberg-Sobell Committee would launch a petition drive for transfer of MORTON SOBEL from Alcatraz. Article also informed that the Committee was also seeking 300 pledges of $30.00, "one dollar for each year of SOBEL's sentence."
In the April 30, 1954, issue of the DFW, page three, column three, appeared an article captioned, "New SOELL campaign plans told." Article informed that during a series of meetings in the San Francisco Bay Area in behalf of MORTON SOELL, Mrs. MORTON SOELL had told of the progress being made in the fight to win a new trial for MORTON SOELL, and, also, on the campaign to win his transfer from Alcatraz. The article went on to inform that Mrs. SOELL had listed the following activities and plans in behalf of her husband:

"An appeal to the Supreme Court for a new trial on the basis of a dissenting opinion made by Judge JACOB BLUM, when the appeals court, in a two-to-one decision, first rejected SOELL's petition for a new trial.

"Petitions to Director of Prisons JAMES V. BEINERT, asking SOELL's transfer from Alcatraz are being circulated throughout the country.

"In Los Angeles, a conference on the case is scheduled, and in San Francisco stepped-up circulation of petitions, distribution of literature, and house gatherings are planned. A major dinner is scheduled in Chicago."

In the June 2, 1954, issue of the DFW, page six, columns one and two, appeared an article captioned, "SF Rosenberg Memorial June 22." Article informed that a memorial program would be held on June 22, 1954, at Druids Hall, 44 Page Street, San Francisco. Article further informed that the meeting was being sponsored by the SF Rosenberg-Sobell Committee. Continuing, article related that the memorial meeting would center on the campaign to transfer MORTON SOELL from Alcatraz Prison. The article further related that a dramatization of SOELL's case would be on the memorial program, showing how the "atom spy frameup case has been used since the ROSENBERGS' execution to attack eminent scientists, and heighten hysteria, said the Committee."

In the June 4, 1954, issue of the DFW, page three, columns one through three, appeared an article captioned, "500 sign petition to transfer SOELL." Article informed that the SF Rosenberg-Sobell Committee had reported that 500 persons had signed petitions asking the transfer of MORTON SOELL from Alcatraz Prison. The article further informed that the Committee was desirous of obtaining additional
volunteers in order to obtain the greatest possible number of signatures by the date of the ROSENBERG Memorial meeting on June 22 at 44 Page Street, San Francisco. Concluding, the article related that petition circulators would gather at Sutter and Fillmore Streets, San Francisco, on Saturday (June 5, 1954) at 11:30 a.m.

In the June 18, 1954, issue of the DFW, page two, column three, appeared an article announcing that a ROSENBERG Memorial meeting would be held on June 22, 1954, at 44 Page Street, San Francisco, sponsored by the SF Rosenberg-Schell Committee.

In the June 18, 1954, issue of the "San Francisco Chronicle," a San Francisco daily newspaper, page eight, columns one and two, appeared an ad which was described as being paid by the San Francisco Rosenberg-Schell Committee, captioned, "If You Take Away the Bottom Block..."

The ad consisted of six blocks piled one on top of the other which, reading from the bottom up, were as follows:

Block number 1: "The Rosenberg-Schell case."

Block number 2: "Hysteria."

Block number 3: "Fort Monmouth Spy Case."

Block number 4: "Hysteria."

Block number 5: "CPPERNR Security Case."

Block number 6: "?"

On the left side of the blocks appeared the following message:

"On June 19, 1953, ETHEL and JULIUS ROSENBERG were executed. Their co-defendant NORMAN SCHELL is shut away for 30 years in Alcatraz."

"The ROSENBERGS and SCHELL vowed that they were innocent victims of the hysteria sweeping our country... that their case would encourage persecution of others."

"ISN'T THIS WHAT HAS HAPPENED?"

"It was the ROSENBERG-SCHELL case that Senator MC CARTH and ROY COHN (a chief prosecutor at the ROSENBERG-"
SOBELL trial) used as a basis for persecuting innocent scientists at Ft. Monmouth. Yet when the chips were down there was no evidence of Ft. Monmouth espionage. It was the Army’s exposure of these unfounded charges that led IC CANTY and COAT to attack the Army itself.

"It was the spy hysteria fanned in the ROSENBERG—
SOBELL case that led to the security risk charges against
Dr. J. ROBERT OPPENHEIMER. How many more Americans will
have their good names smeared and their jobs taken away by
this kind of reckless accusation?

"Only recently a government attorney admitted he
was under orders to mislead a Grand Jury in the VAL LOWIN
case.

AND WHAT OF THE
ROSENBERG—SOBELL
CASE ITSELF?

"Documents which prove conclusively that the Attorney
General’s Office was implicated in securing and planning
perjured testimony have been submitted to Senator LANTZER’s
Judiciary Committee.

"In February, the Columbia Law Review cited strong
merit in argument for a new SOBELL trial.

REPLACE Hysteria WITH JUSTICE
REPLACE JEALOUSY WITH TRUTH

Write Senator WILLIAM LANTZER, Senate Office Bldg.,
Washington, D. C., urging his Committee establish the truth
in this case by investigating the actions of the Attorney
General’s Office in this case.

Write JAMES V. BARTLETT, Director of Prisons, 101
Indiana Avenue, Washington, D. C., to transfer MARTON SOBELL
from Alcatraz pending a new trial."

In addition to the above ad appeared an announcement
informing that there would be a ROSENBERG Memorial Program on June 22,
1951, at 44 Page Street, San Francisco, sponsored by the SF Rosenberg-
Sobell Committee.
In the June 18, 1954, issue of the DPN, page two, columns four and five, appeared an article informing that the ROSENBERRY Memorial meeting on June 22, 1952, would highlight the SF Rosenberg-Sobell Committee's month-long observance of the first anniversary of the ROSENBERRY executions, and would focus on a campaign to transfer MORTON SOBELL from Alcatraz Prison.

In the June 21, 1954, issue of the DPN, page six, columns one through three, appeared an article informing that 350 individuals had attended the ROSENBERRY Memorial meeting, and had contributed approximately $700.00.

T-15 related in July, 1954, that at the ROSENBERRY Memorial meeting on June 22, 1954, $511.00 was collected. T-15 added that $180.00 had been collected earlier at the lawyers' dinner for Mrs. MORTON SOBELL. Continuing, T-15 informed that the memorial meeting consisted of a play entitled, "My Name is MORTON SOBELL."

In the September 2, 1954, issue of the DPN, page three, columns three through five, appeared an article informing that the SF Rosenberg-Sobell Committee was desirous of having more volunteers to circulate petitions asking the transfer of MORTON SOBELL from Alcatraz Prison. The article reminded the reader that letters requesting SOBELL's transfer from Alcatraz should be sent to JAMES V. BENNETT, Director of Prisons, 101 Indiana Avenue, Washington, D.C.

In the September 3, 1954, issue of the DPN, page 11, column five, appeared a Labor Day greeting to the DPN which was as follows:

"SOBELL
Last and can be transferred
from Alcatraz!

Write to:
JAMES V. BENNETT
Director, Bureau of Prisons
Washington, D.C.

and

Get your petition from
S.F. Rosenberg-Sobell Comm.
Room 201, 223 Wc Allister Street, S.F."

In the September 21, 1954, issue of the DPN, page six, column three, appeared an article captioned, "November drive will seek SOBELL transfer." Article informed that the SF Rosenberg-Sobell Committee had announced a November campaign for 1,000 signatures on
petitions and 500 individual letters to JAMES V. BENNETT, Director of Prisons, asking the transfer of MORTON SOBELL from Alcatraz. Article further informed that the Committee was holding a Bay Area conference on October 2 to make further plans for the November campaign. Continuing, the article informed that Mr. MORTON SOBELL would be in San Francisco to participate in the conference which would be held at 150 Golden Gate Avenue, San Francisco, 2 to 5 p.m.

San Francisco T-23, in October, 1952, furnished a copy of a mimeographed petition which was preceded with the following message:

"MORTON SOBELL, a young scientist, charged in 1950 with conspiracy to commit espionage and sentenced to 30 years has been in Alcatraz since Thanksgiving Day of 1952.

"Sobell, who maintains his complete innocence, was convicted on the word of only one witness, a confessed perjurer, and no documentary evidence was presented against him.

"After a recent study of the trial record, the Columbia Law Review agreed with Appeals Court Judge J. K. FRANK that Mr. Sobell should have a new trial. (Had one more Judge so ruled, there would have been a new trial.)

"Alcatraz is a cruel place which strikes terror in the hearts of all. It is the only Federal Prison where a father may not see his children.

"It would be tragic indeed should a new trial establish MORTON SOBELL's innocence only to find him destroyed in Alcatraz.

"Placing Mr. Sobell in Alcatraz is a third degree method which sets a dangerous precedent in these days of irresponsible accusations.

"To insure against an irrevocable miscarriage of justice we respectfully petition that MORTON SOBELL be transferred to a regular Federal penitentiary."

On the bottom of the above-mentioned petition was a notation that the petition should be returned to the SP Rosenberg-Sobell Committee, 223 Mc Allister Street, San Francisco.

In addition, T-23 furnished a copy of a mimeographed letter signed by HELEN L. SOBELL (Mrs. MORTON SOBELL) which was described on the letter as the text of the proposed newspaper ad to
appear in a local paper just before Thanksgiving. The letter, which
is quoted below, informed the reader that his financial support would
make it possible for the appeal mentioned in the letter to reach
hundreds of thousands of people. The letter requested that any checks
submitted should be made payable to the SF Rosenberg-Sobell Committee,
San Francisco.

"Dear Reader:"

"On this Thanksgiving as you enjoy your holiday
with your loved ones, think of HENRY SOBEll and his family.

"I am the wife of Henry Sobell who is now in Al-
catraz facing the sentence of 30 years of living death
there. My husband has committed no crime. I know that is
true. He has maintained his integrity, he has refused to
bear false witness against himself or anyone else, and for
this reason he has been subjected to the torment of Alcatraz.

"The recent focusing of attention upon one of the
prosecutors in this case, ROY L. COLE, the debacle at Fort
Monmouth, the attack upon Dr. Caff€€ber, and now most
recently the bills introduced by Attorney General BROWNELL
and passed by Congress, have caused many Americans to want
to re-examine the path into which fear and hysteria are
leading us. Many respected citizens have already come to
the conclusion that a miscarriage of justice has occurred
in my husband's case. I am thankful that the truth has led
these courageous leaders to speak out. I know that when the
whole truth is known my husband will be free to return to
his home and his children.

"I know now after having just seen my husband that
my first effort must be to secure his transfer from Alcatraz
to a regular federal prison. The four years he has spent in
prison, two of them at Alcatraz, are beginning to leave their
mark. Alcatraz is not a fit place for any human being,
certainly not for my young, sensitive, innocent husband.
The establishment of my husband's innocence must not find
him destroyed by Alcatraz.

"Will you write to Director James V. Felton, 101
Indiana Avenue, Washington, D. C. and ask him to transfer
my husband to a regular prison where he may at least see
his children, read a newspaper and buy a candy bar at a
commissary. This seems such a small thing to ask, but to
us it would have so much meaning. I need your help.

"Sincerely,

s/Helen L. Sobell
"Helen L. Sobell"
T-23, in October, 1954, furnished a copy of the October, 1954, issue of "News Letter," issued by the SF Rosenberg-Sobell Committee. The issue informed that weekly mobilizations had netted over 900 signatures on petitions to Director ELIOTT asking for HORTON SOBELL's transfer from Alcatraz. Included in the issue appeared a "boxed article," captioned "November Drive to Transfer HORTON SOBELL out of Alcatraz." Under the caption appeared the following:

- 1000 signatures on petitions
- 500 letters to JAMES V. ELIOTT
- 50 house gatherings to explain the facts in the SOBELL case
- Large Newspaper ad

-$1000 to defray cost of campaign

The bottom of the leaflet contained a "tear-off" letter to be returned to the SF Rosenberg-Sobell Committee, with the following information:

"I wish to do the following to help hasten HORTON SOBELL's transfer out of Alcatraz:

"Plan to hold a gathering for HORTON SOBELL on........
   (approx. date)

"Will raise $...... for this campaign.

"Inform me of time and place for mobilization and I will participate......

"Name.................. Address..................

Phone.................."

V. CONNECTIONS WITH OTHER ORGANIZATIONS

San Francisco T-24 and San Francisco T-25, in February, 1954, reported that at a Civil Rights Congress (CRC) meeting which was held on February 19, 1954, at 150 Golden Gate Avenue, San Francisco, SYLVIA STEINKARt read a news release which stated that the ROSENBERG children had been taken out of the home of foster parents by the Welfare Department of New York. STEINKARt requested those
at the meeting to send letters and telegrams to the Welfare Department protesting the action with regard to the ROSENBERG children.

The CRC has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

San Francisco T-26 reported in March, 1954, that on February 6, 1954, a benefit party was held by the East Oakland club of the Independent Progressive Party (IPP) at 1349 Fleming Avenue, Oakland, California. T-26 went on to say that as a result of the party, $29.00 was sent to the SF Rosenberg-Sobell Committee.

The IPP, in the Fifth Report of the Senate Fact-Finding Committee on Un-American Activities of the California Legislature, published in 1949, on page 136, characterized the IPP as the above-ground political and legislative apparatus of the CP.

San Francisco T-27 related that at a meeting of the Russian American Society (RAS) which was held on June 18, 1951, at 321 Divisadero Street, San Francisco, a letter from the SF Rosenberg-Sobell Committee was read, asking the members to write to the Director of Prisons requesting that SOFTLL be transferred from Alcatraz. T-27 further related that the members decided at the meeting that all members of the Russian American Society would write the requested letter.

The RAS has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

On 22/11/53, furnished [Adolph E., First Name] by mail, with a typewritten account of a reading by [Full Name] of excerpts of his book, "The Judgment of Julius and Ethel Rosenberg," published by [Publisher]. The reading took place at the home of [Name and Address].

A printed invitation to this affair, also furnished by the source, describes [Full Name] as a former Hollywood screen writer.

A copy of the source's report, and the invitation is attached to each copy of this memo. The original report and invitation are retained as serial 614/6 of [Redacted].
REVIEWS
Reading by John Forley of excerpts of his book The Judgment of Julius and Ethel Rosenberg which will be available Jan 31, 1953
Published by David and Kammer

Place: the home of Mr. & Mrs. Hershel Meyer
110 Central Park West
New York, N.Y.

Sunday Feb. 21, 1954 8:30 to about 10:30

Subscription: $1.00

No. of persons present: 62

After entering one could see in the entry the 8-by-10 ceiling book cases against the wall which contained mainly books on Germany, the Soviet Union, and the People's China. In the next room were refreshments and if one wished one could have a drink with liquor by offering 50 cents at the door and then carrying a slip of paper into the kitchen. About 12 drinks were thus sold.

The reading emphasized the nature of the character primarily of Dr. Tuch and Harry Gold. Without discussing it here since it will be covered in the book, the conclusion was that both men are pathological liars and therefore not believable. The book is carefully documented and claims that the evidence against the Rosenbergs was false.

An answer-question period followed the reading. Someone asked why Greenglass testified against his own sister. It was said that he was under pressure by the FBI for having stolen uranium and did it to protect himself.

Why didn't Mrs. Greenglass appeal to her son to save his sister? The answer given was that she was too stingy to want to make the trip to see her son in Pennsylvania. However, she made the trip but what happened Forley did not find the time to say.

Among those present were Sarah Lichtenberg, Jay Sorrentini and Lionel Stander. Sarah Lichtenberg introduced the speaker and took an opportunity to say that this book will help Morton Sobell. Now she did not say. However, Half of the sale price of the book ($3.00) is being donated to the Committee for Morton Sobell. At this meeting a petition to Senator Feinman in behalf of Sobell was signed by many persons. It was requested that people write to Bennett to have Sobell transferred from Alcatraz.

About 60 orders for the book were taken—many less than expected. However, this was not too disappointing because many persons there were newscross for this type of meeting.
